# Nadine Carillo

3D Environmental Artist & Game Designer

## PROFILE

I am a recent graduate from the Bachelor of Design within the Animation, Visual Effects and Game Design major in AUT who is ready to connect with like-minded people who share a love for games, art and animation. I am passionate on seeing ideas come to life and making media that people can enjoy.

## EXPERIENCE

### March 2025 - October 2025

AUT - Auckland

#### "Lover's Cell" - Capstone Project

- Collaboration with team mates, implementing playtesting feedback from our class and the lecturers
- Level designing the 3D environment and following a pipeline to create environmental assets for our title.
- Scheduling and managing the completion of tasks on our timeline.
- Programming the game mechanics into the obstacle courses and inventory system for better playability.
- Illustrating 2D assets for the minor visuals that enhance the game's narrative and story line.
- Voice Acting, Audio Editing and Video Editing.

### January 2025 - Ongoing

AUT - Auckland

#### Horizon.ADP Media Coordinator

- Collaborate with marketing manager and create video and photo content showcasing the club's live events and activities.
- Attend executive meetings to collaborate and with other members.
- Create monthly reports to present to Executive Team

### October 17<sup>th</sup> - 19<sup>th</sup> 2024

Tākina - Wellington

#### NZGDC Volunteer

- Ensuring that talks and panels run on schedule
- Helping speakers with any preparation requests
- Lending a hand wherever needed

### February 2020 - March 2024

ACG Sunderland - Auckland

#### KASC Programme Assistant Manager

- Coordinating and booking holiday programme activities
- Managing social dynamics at the childcare while on duty including supervising children when doing activities and managing their behaviour towards others
